

Program Teach Out Policy

When program elimination occurs or program requirements significantly change, students are informed as soon as possible. In the case of program elimination, the University commits to “teach-out” the courses for the program within a reasonable time frame or make appropriate course substitutions to ensure students fulfill all the requirements of the program. Advisors work closely with the students to develop a plan that enables students to complete program requirements in a timely manner. Students enrolled in a program that has been eliminated or modified may graduate with the degree requirements in a previous catalog within a seven-year time period.
