

# Engineering Missions Program

## **Degree Type**

Program

## **Objective:**

The Engineering Missions Program is for students desiring a professional engineering degree as well as training for Christian missions and/or compassionate service engineering work. The program may require additional semester(s) of study.

## **Requirements:**

1. Complete all requirements of the BS Engineering degree.
2. Complete all requirements of the minor in Missions.
3. The capstone Senior Design Project (**ENGR4971** and **ENGR4972**) for the engineering degree must involve an approved Christian mission and/or compassionate engineering design project in conjunction with the religion department. When approved, these 4 credits will count for the **PRTH3960** Field Experience in Christian Ministry, and **PRTH4960** Internship in Christian Ministry course in the Missions minor.
4. The NNU General Education Cross-Cultural Experience must be satisfied by completing an approved two week or longer field visit to build/install the capstone design project.
