

Student Financial Aid

In an effort to assist students in their pursuit of a comprehensive Christian education, NNU is committed to providing scholarships, grants, state and federal funds (Title IV aid) to eligible students.

The awarding of financial assistance to students is primarily for the purpose of:

1. Recognizing of achievements
2. Assisting students in acquiring a college education at NNU
3. Recruiting and retaining students

The University believes that the following objectives are consistent with this philosophy:

1. Rewarding students for excellence in academic performance
2. Rewarding students for achievements that may be other than academic
3. Aiding students for whom the pursuit of a college education is an unusual financial hardship

Application for Admission and Financial Aid is a combined process for traditional undergraduate students at NNU. Priority for aid awards (scholarships, grants, loans, etc.) from federally funded and other programs will be given to students who have submitted an NNU Application for Admission and the Free Application for Federal Student Aid (FAFSA) to NNU by February 1st for the following fall's admission. Students must apply for NNU need based aid and federal grants and loans by completing the FAFSA each year after October 1st for the following fall semester. The information below explains this process in more detail. All institutional scholarships and grants are considered when determining a student's minimum financial aid award offer.

Demonstration of Need - Northwest Nazarene University uses the Free Application for Federal Student Aid (FAFSA) to determine a student's eligibility for federal grant and loan aid. Colleges use the Expected Family Contribution (EFC) from the FAFSA as an index to determine need for aid eligibility. Colleges determine the amount of need by taking the school's cost of attendance and subtracting the EFC, which results in need.

The FAFSA can be completed at studentaid.gov/fafsa and should be filed as early as possible after October 1st each year for the following school year. The FAFSA uses tax information from 2 years prior. Tax information for 2021 is used on the 2023-2024 FAFSA.

Payment of Financial Aid: Financial aid is disbursed to traditional undergraduate students by crediting half of the year's total award to the student's account each semester. If a student is enrolled for only one semester, other regulations may apply.

Requirements for Financial Aid: To receive any financial assistance, students must maintain satisfactory academic progress toward a degree. The Standard of Satisfactory Academic Progress for Financial Aid is available through the Office of Financial Aid.
